Durham Police Investigate Shooting

Durham police are investigating a double shooting that happened Saturday evening on Gray Avenue.

Officers were dispatched to a shooting call at 4:49 p.m. Saturday in the 300 block of Gray Avenue. They found a 47-year-old male who had suffered a gunshot wound. Witnesses told officers that shots were exchanged between occupants of vehicle and people on the street.

A short time later, officers were dispatched to a business near the intersection of Cheek Road and Midland Terrace. A vehicle had pulled into the parking lot and one of the passengers in the vehicle – a 32-year-old male - had been shot. It was later determined that he had been shot on Gray Avenue.

The 47-year-old victim was treated for his injuries at the hospital and has been released. It appears that he was an innocent bystander, according to investigators. The 32-year-old male is being treated for critical injuries.

At least one vehicle was damaged by bullets.

No arrests have been made in the case and investigators are trying to determine the motive.

Anyone with information is asked to call Investigator Feskanich at (919) 560-4281, ext. 29123 or CrimeStoppers at (919) 683-1200. CrimeStoppers pays cash rewards for information leading to arrests in felony cases and callers never have to identify themselves.
